MWBTR Owner Surrender Form

Thank you for contacting Midwest Boston Terrier Rescue about the possible surrender of your dog. We received your request and have attached the Owner Surrender Form that will need to be completed and emailed back. If you have questions, concerns or problems, please contact the sender of this email.

The Surrender Form will help us find the best placement for your dog. Often times, problems that you are having with the dog can be corrected with training. We may be able to help you with training, based upon our knowledge and experience with the Boston breed or recommend a trainer in your area.

As soon as the Surrender Form is completed and returned we will review the information provided and advise you how to proceed. Should it be determined that placement with MWBTR is the only option we will contact you for placement of the dog in our foster program. Please note, that the information you provide to us is important, as this information will be used, along with a photo of the dog, to find the best possible home for adoption.

We focus more on quality than the quantity of adoptions, so our foster homes fill up fast. Your patience with us while working to bring your dog into foster care is appreciated as our foster homes often have more than one foster dog in their home.

Lastly, you may contact me at any time with questions or concerns. If I am not available to talk with you when you call, please leave a message and I will get back with you as soon as possible. As volunteers, we all have jobs and families, so it may take at least 24 hours before we are able to get back with you.
