## Consider Fostering

We are in great need of additional foster homes in all four of our states. We average 30 or more new dogs a month into rescue. Transport assistance from shelters and owner surrenders is always greatly needed.

## Forever Foster Program

Our FF program was designed to allow senior bostons in our care to go to a home to live out their senior years with you while still under the care of MWBTR. The rescue will pay \$250 per year for the dogs medical needs. Anything over \$250 and we will fundraise for the dogs care. An approved application must be filled out to qualify for this program. Only select dogs will qualify.

## Who We Are:

---

Midwest Boston Terrier Rescue is a 501(c)3, non-profit organization. We are funded entirely by donations and run by the hearts of our volunteers. We rescue Boston Terriers from shelters and individuals wishing to surrender their dog to us. We take in Boston Terriers regardless of their age or medical condition. Midwest has no shelter. Our rescued Bostons are fostered in our homes until they find a new loving, responsible, life long home.

## Why a Boston Terrier Rescue?

---

We rescue Boston Terriers because we know and love this breed, and for no other reason than our concern for their welfare. So many dogs are shelter dumped, lost or given up and unfortunately this breed is no exception. We have seen a dramatic increase in the trend of owning this breed since January 2004. As the demand and desire for this breed has increased, so has our need to rescue more dogs. We average 5-10 Bostons a week intake, with our average cost per dog of \$350. Most cost more because they are surrendered with medical needs that we have treated.

## Adopting a Boston

---

Our policy is to place our Boston Terriers in the perfect home. It is not first come first served. We require an application, vet references and home visit before placement. Everyone in your home MUST be in agreement with adopting a Boston and be present for your home visit.

### ADOPTION FEES

All Dogs 0-7 yrs (including mixes) \$350

Senior dogs 8 years and over \$250

*Adoption fee is not refundable*

Our adoption fee helps us offset veterinary costs. All of our dogs are vet checked, up-to-date on shots and spayed or neutered before adoption. We do not ship or transport dogs. You must be willing to go to the dog or adopt one in your area.

Applications will only be kept on file for 6 months. After that you will need to re-apply.

Approved homes will have a chance to talk directly to the foster home about the dog(s) you are interested in. Your first step in adopting is to fill out a placement application online at: [www.midwestbtrescue.org](http://www.midwestbtrescue.org).

## The Application Process

---

There is a \$20 non-refundable processing fee for each application submitted to be paid at the time of application. As a non-profit group relying solely on donations, this nonrefundable fee is needed to help cover administrative costs associated with processing applications. This fee helps to cover the cost of processing your application only, and does not guarantee adoption.

Only completed applications, mailed in and sent with the \$20 application fee will be processed. Please take the time to enter all fields accurately and answer in as much detail as possible. This helps us match you with the right dog. Please send your completed application and \$20, non-refundable processing fee to:
